Module 1: Getting It Right!

The concept video. If you don't have a map you'll NEVER get to where you want to go. Inside module one Bill walks you over the entire process showing what we'll be doing, what you can expect along the way and how to get it done fast.

On top of that Bill will give you some of his tips and tricks for getting past take action anxiety. One of the main reasons people fail online is that they simply don't think they can.

You know you want to, you know it's possible, but when it comes to making it all work you just get stuck. Bill is going to show you how to crush that fear, take control and build a belief in yourself you never knew was possible.

A Day in the Life of Bill Hugall

\$1,800 Walk-Through

During this 1 hour bonus video you are going to see a very similar method that requires far less work to get started, but follows the exact same foundation. In this case study Bill show you in real time how he was able to take \$200 and turn it into \$1800 in less than a week.

Again you are going to see this all over the shoulder. Bill shows you the pages. Bill shows you the offer, and he even shows you who he got his traffic from. This one video has received so much praise and feedback from the handful of people who got early access that it's the only way he'll ever do it again.

This is truly, watch and repeat!
